This document contains guidance on the identification and placement process for newly arrived English learners in your state. WIDA and your state education agency have worked together to provide this outline of policies, procedures, assessment options, test administrator training requirements, and criteria for placement in EL services. This document is updated each spring and throughout the year per SEA request.

EL Program Requirements – Services & Support

Question/Topic	State-specific Guidance
EL Services or Program Requirements	 [The state does not require a specific program type or amount of student support. The program must be highly effective in supporting student's access to academic content and increasing language development through integrated and targeted English language development.
	 Parent approval for program placement is not required. All parents must be notified of program type(s) and program placement.
	Student placement assessment scores are entered into a statewide English learner database.
Declining Services	 Parents must decline services in writing. All parents declining services must be informed that the student will continue to take the ACCESS assessments each year until they meet statewide exit criteria. LEAs must monitor student progress and reach out to families annually to offer services after they have declined.
