Join WIDA on Thursday, June 11 from 2:00-3:30 p.m. ET to learn more about WIDA and the introduction of WIDA ACCESS in New York.

We'll share the history of WIDA, explain how our assessment is designed and discuss what you need to know as you prepare to administer WIDA ACCESS and WIDA Alternate ACCESS in the 2026-2027 school year.

We'll also provide a preview of upcoming assessment training requirements and share where you can find additional updates as we get closer to WIDA ACCESS testing.

All New York educators interested in learning more about WIDA and WIDA ACCESS are invited to attend.
