The checklist highlights all tasks that need to be completed before, during, and after testing within a school or district and uses color to indicate who typically completes those tasks in your state. This checklist has been customized for your state. The state-specific clarification column contains guidance that your state education agency expects you to follow as you prepare for and administer the test.

Each ACCESS for ELLs test section for grades 1–12 is designed to be completed in group-administered sessions in the following time frames: <strong>Listening</strong> (40 minutes), <strong>Reading</strong> (50 minutes), <strong>Writing</strong> (65 minutes), and <strong>Speaking</strong> (30 minutes). - Test domains should not be combined into one test session. However, more than one domain may be tested on the same day, with a break between tests. - Plan for extended time, especially for ELLs with disabilities, up to the end of the school day, as needed. - Students in different grade clusters or testing tiers may be tested together, except students in grades 1-3 completing handwriting on paper. These students must be separated by grade cluster and tier for Writing.</td>
