			This module provides background information about ACCESS Online, including the test's purpose, design, and materials, and clarifies your role in testing.		
X			Set up WIDA AMS accounts for Technology Coordinators and Test Administrators. <i>Tip: If you need assistance, review the <a href="#">WIDA AMS User Guide</a>.</i>		
			Submit Pre-ID file to DRC.	OSPI submits initial Pre-ID to DRC.	
			Order materials in WIDA AMS.	OSPI will order initial materials in early December via the Pre-ID file. Districts can help make sure we have accurate counts by ensuring CEDARS data is accurate by December 9.	
X	X		Discuss district and school technology needs and capacity to administer the online test with the Technology Coordinator.	Technology documentation can be found in the <a href="#">WIDA Secure Portal</a> or in WIDA AMS under My Application > General Information > Documents.	
X	X	X	Complete <b>Module 3: Preparing Your Students District</b> in the Online ACCESS for ELLs: Administration training course. This module focuses on preparing your students for testing and assigning accommodations.		
X	X	X	Meet with all stakeholders regarding testing needs for students with an IEP or 504 plan. Refer to the Administrative Considerations section of the <a href="#">Accessibility and Accommodations Manual</a> to consider testing needs for students who do not have an IEP or 504 plan.	Roles may vary on who is involved in this work. Consider the situation in your district to determine who should be involved in this process.	
X	X		In WIDA AMS, assign accommodations for students with an IEP or 504 plan.	There are three accommodations that must be assigned in WIDA AMS prior to testing, if applicable: Manual Control of Item Audio (MC), Repeat Item Audio (RA), and Extended Speaking Test Response

				Time (ES). These accommodations are embedded in the online test platform.	
X	X		<b>Optional:</b> Modify generic registrations in WIDA AMS to meet district/school needs. Enable Test Monitoring on registrations as desired. Refer to Online Help in the Test Monitoring application in WIDA AMS for details.	Default test sessions are created based on the Pre-ID file from OSPI, but districts and schools may adjust test sessions to match their own location's test schedule.	
X	X		Finalize student counts. Add any new students to WIDA AMS and assign them to test registrations.	The SEA will provide a Pre-ID file to DRC for initial student upload. Following the initial Pre-ID file, districts are responsible for uploading students in WIDA AMS once student management is open in WIDA-AMS.	
	X	X	Review student data for accuracy in WIDA AMS. Confirm that all students are listed in WIDA AMS and assigned to correct test registrations.		
X	X	X	Complete <b>Module 4: Administering the Test</b> in the Online ACCESS for ELLs: Administration training course. This module focuses on generating login credentials for test takers, preparing space, materials, and equipment, creating a testing schedule, technology troubleshooting, and how to administer specific domains.		
	X		Create a testing schedule. All <b>Kindergarten</b> and <b>Alternate ACCESS</b> test sessions are administered one-on-one. <b>Tip:</b> Allow several days at the end for makeup testing. See the <a href="#">Test Coordinator Manual</a> for help with scheduling.	Coordinate with local special education teams around Alternate ACCESS testing. DACs will review these schedules.	
	X		Plan a seating arrangement for testing areas. Verify that students are adequately spaced for the Speaking Test. Refer to Test Scheduling in Section 6 of the <a href="#">Test Coordinator Manual</a> .	Consider that testing environments may need to change for different grade levels or language domain tests.	

Before Testing

DAC	SAC	TA	Task	State-specific Clarification	✓
	X	X	Review <b>“Pep Talks, Test Demo, and Test Practice”</b> in Module 3 of the Online ACCESS For ELLs: Administration training course.	For students who have already completed WIDA ACCESS Online in previous years, TAs can rely on the practice embedded in the assessment in lieu of separate practice time.	
	X		Plan <a href="#">communication for parents/family members</a> about ACCESS for ELLs testing and upcoming testing schedule.		
X	X		Review <b>“Managing Secure Materials”</b> in Module 2 of the Online ACCESS for ELLs: Administration training course.	Test Administrators can complete this training if needed; however, TAs are required to complete test security training from the state.	
X			Receive, inventory, and distribute test materials to designated sites/staff.	Refer to Section 3 of the Test Coordinator Manual for information about receiving, inventorying, and distributing test materials.	
	X		Review materials for correct amount and type. Report the amount and type of overage to the District Coordinator.		
X			Review <b>“Ordering Additional Materials”</b> in Module 2 of the Online ACCESS for ELLs: Administration training course.	<p>Only the DAC may place an additional materials order, but school assessment coordinators should be aware of the process as well as any associated internal processes. Districts should limit their additional materials orders to as few orders as possible.</p> <p>Additional Materials Orders must be designated for the District Level site in WIDA AMS orders. Orders made for individual school sites cannot be approved.</p> <p>The default response mode for writing in grades 4 and 5 is keyboarding. You will not receive writing booklets for these grade levels in the initial shipment.</p>	
			Verify information on Pre-ID Labels is accurate. If necessary, edit information in WIDA AMS.	SEA will provide guidance on how to update information in WIDA AMS as necessary.	
	X		Check District/School Labels for accuracy. Contact <a href="#">DRC Customer Support</a> if information is incorrect.	District/School labels may be applied to any student booklet as needed (i.e., Writing, Kindergarten, Alt ACCESS). They may not be

	X	X	Review test tickets for accuracy of demographic information and accommodations.	Accommodations may be updated in WIDA AMS. Confirm that accommodations MC (Manual Control of Item Audio), RA (Repeat Item Audio), and/or ES (Extended Speaking Test Response Time) are listed if assigned to the student. Any other accommodation will be indicated on the ticket with “NA”, since those accommodations will be delivered outside the test platform.

X			Ensure all staff involved in testing are certified according to state requirements, have completed required training, and understand how to follow test security and confidentiality procedures.	Account Coordinators may view certifications for individual test administrators through the <a href="#">Manage Users</a> function in the WIDA Secure Portal, or for an entire school or district through the <a href="#">Certification Report</a> tool. See the <a href="#">Get Help</a> page for step-by-step instructions on using these tools.	

During Testing

	X	X	Set up the testing room according to the <a href="#">Test Administrator Manual</a> . For group settings, ensure students are seated far enough apart to avoid distractions.		
	X	X	Gather test administration materials: Test Administrator Script(s), Test Administrator Manual, test tickets, test roster, Writing Booklets, #2 pencils, clock, etc.		
	X	X	Ensure testing devices are ready and distribute necessary materials to students (e.g., booklets, pencils, headsets).

		X	After students have completed the Listening and Reading tests, determine students’ tier placement information in WIDA AMS. View the screencast on “ <b>Test Domains: Listening &amp; Reading</b> ” in Module 4 of the Online ACCESS for ELLs: Administration training course to learn how to export registration details in WIDA AMS.	Tier Placement Reports list the Writing tier for any student who will handwrite their response, and lists students who are assigned the pre-A tier for Speaking. Refer to Section 6 of the Test Coordinator Manual for information on tiers and the Tier Placement Report.	
		X	Apply labels to Grades 1-3 Writing Test Booklets. Bubble in demographic information and apply a District/School Label to test booklets that do not have Pre-ID Labels. Incorrect information may result in an incomplete score report. If additional yellow District/School labels are needed, request them through <a href="mailto:ELPAssessments@k12.wa.us">ELPAssessments@k12.wa.us</a> .	
	X		Report additional material needs to the District Test Coordinator.		

During Testing
