

WIDA Early Years promotes equitable learning opportunities for young multilingual children. We partner with state agencies to provide support and resources to early care and education (ECE) programs.

Is your state a WIDA Early Years member?

Visit wida.wisc.edu/memberships/early-years/members for a list of current member states.

Interested in WIDA Early Years membership?

- Visit wida.wisc.edu/memberships/early-years/benefits to read about the benefits of membership.
- Email EarlyYears@wida.us for more information on state membership.

My state is a member – What's next?

1. Explore tools and resources for ECE professionals on the WIDA website at wida.wisc.edu/memberships/early-years.
2. Visit your state's website or contact your state representative for more information on WIDA Early Years resources available to you at wida.wisc.edu/memberships/early-years/members.
3. Complete online professional learning. WIDA Early Years online modules provide self-paced and engaging professional learning for ECE professionals who support young multilingual children. Access the online modules by visiting your state website or contacting your state representative at wida.wisc.edu/memberships/early-years/members.
4. Stay connected with WIDA Early Years
 - Sign up for WIDA Early Years News by emailing join-widaearlyyears@lists.wisc.edu.
