

WIDA Early Years promotes equitable early care and education (ECE) opportunities for young multilingual children. We partner with state agencies to provide support and resources for ECE professionals.

Is your state a WIDA Early Years member?

Visit wida.wisc.edu/memberships/early-years/members for a list of current member states.

My state is a member – What's next?

1. Explore tools and resources for ECE professionals on the WIDA website at wida.wisc.edu/teach/early.
2. Visit your state's website or contact your state representative for more information on WIDA Early Years resources available to you at wida.wisc.edu/memberships/early-years/members.
3. Complete online professional learning. WIDA Early Years eLearning courses provide self-paced and engaging professional learning for ECE professionals who support young multilingual children. Access the online courses by contacting your state representative at wida.wisc.edu/memberships/early-years/members.
4. Stay connected with WIDA Early Years
