How can we use WIDA MODEL to learn more about our students’ academic English language proficiency?

1. **I just moved here and I’ve never taken ACCESS for ELLs before.** My teacher needs to know whether I should be in a beginning or intermediate ELL class.
2. **I’m learning so much English that my teacher wants to see if I’m ready for the next challenge!**
3. **My support team is meeting soon and they need more information about my English language development progress.**
4. **I just got here and my ACCESS for ELLs scores aren’t available yet. High school registration is here and my counselor is working with me to figure out the right classes.**
