Sedney (speaking in Haitian Creole): Mwen se yon manb fyè ki rejwenn ekip Lidèchip Paran an. Objektif komite an se ranfòse patenarya ant paran, lekòl ak distri pou asire nou ke elèv nou yo gen bon jan kalite edikasyon yo bezwen. Answit mwen chwazi rantre nan komite a paske mwen kwè paran yo gen yon vwa. Nan komite an, wòl nou se prezante vwa fanmi yo, prezante vwa lidè yo, prezante vwa kominote an. Youn nan pi gwo travay n ap batay sou li, se rive amelyore kalite enfòmasyon ak edikasyon timoun yo ap resevwa. Mwen fyè pou m rejwenn komite Lidèchip Paran an.

[I am a proud member who joined the Parent Leadership team. The goal of the committee is to strengthen the partnership between parents, schools, and the district to ensure that our students receive the high-quality education they need. Furthermore, I chose to join the committee because I believe parents have a voice. In the committee, our role is to represent the voice of the families, represent the voice of the leaders, and represent the voice of the community. One of the biggest jobs we are fighting for is to improve the information and education the children are receiving. I am proud to join the Parent Leadership committee.]

Belinda (speaking in Haitian Creole): Mwen fyè tou pou mwen fè pati Konsèy Lidèchip paran yo. Komite nou an ap travay pou asire yo tandè vwa fanmi yo. Komite a kolekte kòmantè paran. Epi aprè sa a, chwazi sijè ki enpòtan pou kominote nou an. Konsa, nou ka konsantre pou pwoblèm ki pi enpòtan pou fanmi yo, epi sipòte yon lòt nan yon fason ki pi bon pou nou. Fè pati konsèy sa a banm chans pataje lide.

[I am also proud to be a part of the Parent Leadership Council. Our committee is working to ensure that families' voices are heard. The committee collects parent feedback. And after that, chooses topics that are important to our community. This way, we can focus on the issues that are most important to families, and support one another in the best way possible for us. Being part of this council gives me the chance to share ideas.]

Voiceover: We would like to thank Sedney and Belinda for sharing their experiences. We appreciate your contributions to district-level partnerships and decision-making that impact all multilingual families and students.
